Hi Kam and Kineto team,

My dear friend recommended you to us.

Moving is such a challenge and my husband's quote is "I would rather go to the dentist all day than move". We want to thank you and the Lee team with a great experience. The guys worked hard and when we changed our mind on the location of a 7'x 5' heavy mirror it was moved in a minute. Thanks again from a very satisfied customer.

Cheers

My move on Friday from Honeywell Ave to 40 The Driveway was the best from beginning to end.

I found the trio of JH, RP and NW knowledgeable, competent, and very professional. Although I haven't unpacked the dishes crystal etc. yet I'm sure it was well done.

I enjoyed their friendly, courteous and helpful manner. They did Kineto Van Lines proud and are a definite asset to the company.

I would be happy to recommend you and your team to anyone needing assistance when moving.

Sincerely,

Elizabeth McDonald

We finally have our computer hooked up and we would like to say how impressed we were with your fellows ... Lee, Rock and Jaden. They were outstanding! They were efficient, hard working and above all pleasant. They helped to make our very daunting task of moving so much more manageable.

Thanks for everything and we wouldn't hesitate for a moment to recommend your moving company to anyone!

Hello Kam!

I just wanted to express my gratitude to the two movers, Roch and Brian who did my move from 175 Granville St., to 279 Levis ave., on Feb. 23rd.

They were true gentlemen, polite, extremely efficient, reliable and very hard workers!

All my furniture arrived in tact.

Please pass on my gratitude to them.

I would highly recommend your company to family and friends.

Cheers!

Hi, Kam.

Just a note to thank Kinetovanlines for your services in moving and storing my property. Both ends of the move were handled efficiently and pleasantly. Moving from my home of 40 years was stressful, but the professionalism of your teams really helped.

Thank you!

Dear Mr. Mahfouz,

I am writing to thank you for Kineto Vanline's ongoing generous support of the MASC Young Authors and Illustrators Festival. Thank you for transporting supplies from the MASC office to the event location at the Canada Space and Aviation Museum.

We are pleased to report that this year's event was another success. Children enjoyed the unique opportunity to work with some of Canada's finest children's authors and illustrators. Feedback from the participants was overwhelmingly positive, expressing unbridled enthusiasm for the day.

Kineto Vanline's contribution played an important role in helping MASC offer this high caliber arts education program at an affordable fee to all participants. In addition, we were able to offer 30 fully subsidized spaces to children who were unable to cover the event fee.

MASC is pleased to recognize Kineto Vanline in the festival brochure, on the MASC website, and on display panels. I have included a copy of the festival brochure.

On behalf of MASC, please accept our heart-felt appreciation. And from a student:

"Thank you so much for the privilege to attend this amazing event. I cannot express how grateful I am for this magnificent and joyous event. Thank you!"

For photos of this year's event, please visit the MASC web site at:

Hi Carl:

Sorry I am late responding. We were without phone, television and internet for 5 days due to Bell's service.

Regarding the move: we were impressed by the moving team. They were friendly, fast and very efficient. We are glad to have made the right choice. We recommend these movers any time.

Thank you very kindly for your efforts and the excellent service we had.

Now back to unpacking, getting settled and organized !

Best regards,

Gunter

Subject: Our move on Friday

Hi Bob,

I just wanted to let you know that we could not have asked for better service or a better crew to move us last Friday from Kanata to our cottage in Innisville.

Rock and Ryan were excellent to deal with, polite, respectful, efficient and absolutely caring.

Please pass on our thanks to both of them. If there is another way to provide a review i.e. facebook, a formal letter, etc. please let me know.

Kineto was recommended to us by two sets of friends and I will definitely let anyone else know Kineto should be first choice.

Thank you,
Bonnie and Peter Ade.
