Subject: Our home move to 79 Kinmount in Kanata on March 20, 2002

To Whom It May Concern,

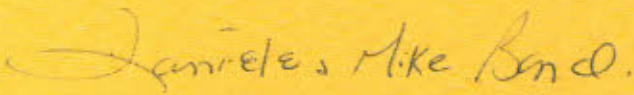

We are writing to you as we wanted to thank you for looking after our recent move in Kanata. When we met with Kam initially to discuss our upcoming home move, Kam promoted the professional services Kineto Van Lines offered. "Quality" was important to us.

It is on that note that we are writing to you. We felt it was important to mention how much Rob, Sly and Troy, who met with us on March 20th to make our home move a reality, lived up to Kineto's reputation with regards to the quality of the services you offer. All three were highly professional in their approach, energetic and motivated to making this move a successful one and very tidy and clean. What else could we have asked for!

A family member – Lyse Brooks – has also signed up with your organization to look after her home move to Kinmount in Kanata mid-April. Lyse signed up on our referral and was very happy to hear of our personal experience with our move.

Once again thank you and please extend our thanks to Rob, Sly and Troy!

You have made a difference!

Dear Mr. Mahfouz,

MOVE OF THÉRESE GAUTHIER ON MAY 29TH 2002

I just wanted to take this opportunity to thank your company and your team of movers for a very successful move to Arnprior on May 29th 2002. The team of three men consisting of Sylvain, Stan and Andrew, worked tirelessly over the course of the day to complete my mother's move and dealt with the few unexpected occurrences with much tact and courtesy. I was overly impressed with their work and am very pleased to have also chosen your firm for my move on the 29th of this month.

Respectfully,

Dear Sir or Madam:

Re: Move from Kanata to Windsor

We would like to take this opportunity to thank all involved at Kineto Van Lines for the quality and professionalism of their services connected with our move from Kanata to Windsor on May 13/14, 2002.

As you are aware, moving, particularly distance moving where specific time frames are involved, can be very stressful situations. The fine service delivered by Kineto did a great deal in making our move as easy as possible.

At the Kanata end, your staff, led by Lee Rosales, was on time and very efficient. They were very polite and ensured that everything was explained to us and our needs were met. There were four staff in Kanata, with the only other name I recall being Andrew Robertson.

At the Windsor end of the move, I am happy to report that all went well. Your crew of Lee and Andrew arrived exactly on time (despite having a long day and night previously) and unloaded the truck quickly. I was particularly pleased with the care taken with our belongings, and the time taken to ensure that our furniture was exactly where we wanted it (even when we changed our minds!).

In summary, we were extremely happy and satisfied with our Kineto Van Lines experience. The rates charged were very reasonable, and certainly less than the other national van lines were quoting. Your staff were efficient, polite, and very professional. What is usually a harrowing experience was made very pleasant. Particular thanks to Lee and Andrew, who were joys to work with.

Sincerely,

John and Linda Box

Dear Mr. Mahfouz,

I would like to express my appreciation for the work undertaken by your moving team on 13 August 2002 in moving our belongings out of 1570 Jonquille Way in Cumberland. They worked steadily under very humid and hot weather conditions. Notwithstanding these extreme conditions, they exercised care and attention in moving our belongings and were quite efficient in their work.

Your team has lived up to the high standards of your company and we are very pleased with the service and the work they carried out. We look forward to working with the same crew when we move into the new address at 2020 New Carlisle cr. In Orléans, on 17 September.

Yours truly,

Dear Sirs:

RE: RECENT MOVE

Your company did a move for me from 29 rue de la Fondrière in Hull to my new address at 18 rue de Cassis on Saturday December 14, 2002.

I feel it necessary to write and compliment on the three young men: Stan, Rock and Louis who did the move. These are three exceptional young men who were very gracious, well mannered, polite and very conscientious of their work. They handled the move extremely well and were very careful with all of the furniture and goods being moved.

I will certainly recommend your company to anyone who asks. Thank very much for a job well done.

Sincerely

Louise Bélec

Dear Sir/Madam,

On November 29th, we had the good fortune to hire Kineto Van Lines as our moving company. Earlier in the month, Kam Mahfouz, came to meet with us and provided us with an approximate price for our move and informed us, of the various services Kineto had to offer should we so choose to take.

On the moving day, Stan Giesbercht, Rock Roy and Wes Smith arrived punctually. Their work was of a very high calibre ensuring that all items were properly wrapped and protected. In addition, they were very efficient and courteous. Of special mention, is the fact that the move of the piano was extremely difficult, at one point, requiring Wes to bear the weight of the piano and depositing it gently on the tile floor, which he did, despite the inordinately enormous weight

This letter serves to acknowledge the hard and efficient work done by these individuals.

We will not hesitate to recommend Kineto Van Lines in the future.

Sincerely,

Suzanne Bray and Giuliano Todesco
