Dear Bob,

Your company, Kineto Van Lines was recently referred to me by Al Abraham when I was in search of a moving company to move my furniture and other assorted items from a house I just sold at 1108 Cline Crescent Ottawa.

The team of two men you sent showed up as promised and on time. Joseph and Stephan were both extremely professional in every manner. They wasted no time in performing their tasks and worked quite efficiently right through the move.

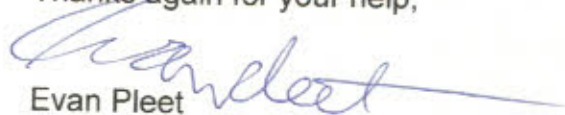

In my case, the items were going from a decent size home into a very small, self storage locker and I wasn't quite sure they would be able to get everything in. In the end, they did an exceptional job and ended up using every square inch of space and there was no need for me to rent an additional unit.

I would have no problem recommending your firm if the situation came up and would suggest that both Joseph and Stephan be requested for the job.

I have also thanked Al for the great recommendation.

P.S. Please give a copy of this letter to both Joseph and Stephan.

Thanks again for your help,

Evan Pleet

Hi Cam,
Just a quick note to commend our moving team, Bob, Lee and Aris on Friday April 2, 2009. I have moved many times over the years and I have to say this was by far the best move that I have experienced. Your guys were very professional, courteous, friendly and extremely efficient. They treated our household goods like they were their own; the move went flawlessly. I would highly recommend Kineto to anyone looking for that extra care. Well done and thanks again.

Hi Kam,

First & foremost, I wanted to follow up & commend the team both in Ottawa & in Toronto that assisted in the move. Must say that your employees were all polite, quite courteous & conscientious of the handling of our personal goods. I believe that Ravinder has already forwarded a testimonial, but I thought that it would be important for me to do the same. So, please pass on my personal thanks to both sets of teams.

Cheers
