Dear Kam,

We have been in our new home for a month with everything unpacked and in place, at last, and I am writing to say thank you. Your teams, the packers and the loaders, did an excellent job. They were polite, efficient and careful with all of our goods. In spite of being handled four times and in storage for over eight months, while we were travelling, all arrived in the proper places and in perfect condition, including our artwork and fine china and glassware.

We chose your firm for this job after obtaining three estimates and, while yours was not the lowest price, we found your facilities to be the most professional and your people the most responsive to our concerns. In the end, we know that we made the right decision and would be pleased to act as a reference for you anytime.

With our thanks and best wishes,

Sean O'Dea

Your company moved my husband and I out of our home in Orleans and into our new condo on October 31st. We would both like to take this opportunity to thank the "team of 3" that made the move go so smoothly. Clearly high standards are expected of your employees. This showed in their ability to get things done quickly and efficiently.

Thank you again

Hello Kam,

I am writing to let you know with how pleased I was with my move on Nov. 13.

The two movers, Rock and Andrew? (I believe that is his name), worked extremely hard. They were polite, patient, very accommodating, thoroughly professional and completed the move in very good time. Overall it was a very good experience.

I will, and have, recommended Kineto Van lines to others.

Thanks for all of your help.

Sincerely, Jean Murray

Jim and I just wanted to let you know how pleased we were with the move from our home to our new condo.

Your employees-Rock, Ryan and Nicholas were very professional and pleasant.

Everything went very smoothly and efficiently.

Kam,

I want to tell you that Steve and I were extremely happy with our move. The three guys were super professional and very effective in packing up a HUGE house. They also had to help me shovel out the driveway (terrible weather) when we arrived at the new house.

Thanks to them and you for a lovely experience. We were stressed leaving a home of over thirty years and your team made it a very smooth transition.

Regards,

Cheryl

Dear Mr. Mahfouz,

Kam!

I am writing to thank you for Kineto Vanline's ongoing generous support of the MASC Young Authors and Illustrators Conference. Thank you for transporting supplies from the MASC office to the event location at the Canada Space and Aviation Museum.

We are pleased to report that this year's conference was sold out. Six hundred children enjoyed the unique opportunity to work with some of Canada's finest children's authors and illustrators. Feedback from the participants was overwhelmingly positive, expressing unbridled enthusiasm for the day.

Kineto Vanline's contribution played an important role in helping MASC offer this high caliber arts education program at an affordable fee. In addition, we were able to offer 31 fully subsidized spaces to children who were unable to cover the conference registration fee.

MASC is pleased to recognize Kineto Vanline in the conference brochure, on the MASC website, and on conference display panels. I have included a copy of the brochure.

On behalf of MASC, please accept our heart-felt thanks and appreciation. And from a student:

"Thank you, thank you, thank you! I want to be a published author one day, and being here makes that goal reachable. I hope you NEVER stop sponsoring this, so that a million zillion other kids can have this amazing experience."

Sincerely,

Faith Seltzer
