Dear Bob:

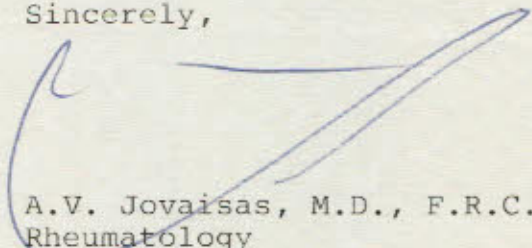

My wife and I want to express our appreciation for the wonderful job you did moving us into our new home. Despite the fact that it was a very long day, you and your crew were extremely patient and always professional and pleasant. The utmost care was taken with every item as though it were your own.

We also want to thank you for getting the boys' cribs set up early in the day and for working so quietly when they were asleep. We never dreamed their routine of going to bed at 7 pm. could be preserved on moving day but thanks to you it was like any other day for them.

We are also very happy that we chose to have you pack our dishes and china. It was very well done and saved us a lot of time.

Considering how harried moving day can be, it turned out to be a pleasure thanks to you and your team. Thank you all for a job well done.

Sincerely,

A.V. Jovaisas, M.D., F.R.C.P.C.

Dear Robert:

This letter is quite late in coming but the travails of setting up house are never ending.

I wanted to once again thank you and your assistants for the admirable job that you did for me in my recent move to Chelsea. From the advice that you gave to me when I first contacted you, to the assistance in the preparation prior to the move, and finally the move itself, you and your company provided a superb level of service at an exceptionally fair price.

I would use your services again if the need arose and I will certainly recommend you to anyone who would need the services of a moving company.

Best of luck to you and your colleagues.

Yours truly,

Jacques Giard

Dear Kamal

My compliments to you and your staff. Thanks to you our move was well organized, efficient and almost pleasant.

We will certainly recommend you to our friends and family

Dear Sir:

This is just a note to express our appreciation for the excellent job that you and your people did in moving us on October 31. We were impressed with the combination of courtesy and efficiency that you showed. You arrived exactly on time, and because of your efficiency, completed the job in about half the time that we had expected (in comparison with other moving companies that we have hired in the past). We were also impressed that there were no marks on either furniture or walls as a result of the move.

Once again, we would like to thank you for the outstanding job that you did and will be recommending you to any of our friends that we become aware of who may need the services of a moving company.

Yours Truly
