Getlemen:

I had the pleasure to use your services for our move from Orleans to our present address on March 27, 1992. I wish to express my sincere thanks and complement you for a job well done and to our complete satisfaction.

Despite the inclement weather, your professionalism impressed me and your crew was absolutely exemplary. They were all courteous and at times went beyond the call of duty in accommodating our requests. All our effects were transferred without any damages whatsoever and we certainly liked your sticking to the contracted price without qualms.

Once again I thank you for this service that was given with a smile and it shall be my pleasure to reccommend you to all my friends and aquintances.

Yours truly

Dear Mr. Mahfouz:

A brief note to thank you and your colleagues for doing an excellent job during our recent move.

We have had occasion before to use a moving company. I would like to say that I have never experienced a more professional move than our last one with your company. Not only did you all work quickly and carefully, but it was a pleasure to be with such well-mannered and helpful people. My glass cabinet and fine China - some of it in the family for generations - arrived in excellent condition.

Many thanks and - we'll call you again in (hopefully) 20 years!! "Moving is exhausting!"

To Whom It May Concern

On Oct 24 1992 I moved from a large, spacious, multi-level home to a new home on the second & third floors of a building.

The manner in which Kamal Mahfouz handled this job deserves a note of appreciation.

It was an event that I was very anxious about and inspite of the effort I'd put into the organization of my "stuff" I felt overwhelmed by the task of moving.

Kamal, from our first meeting was professional, courteous, and helpful.

I appreciated the sense of humor he expressed at all times & the

efficiency & skill of his crew
Better yet the cost of the job
came in slightly below the
estimate due to their excellent
use of time.

Nothing was damaged &
everything arrived as anticipated

Ironically it was only after I
had completed my move that close
friends who had moved some
months earlier informed me that
they too had hired Kineto.

After some discussion we
were in complete agreement that
Kamal Mahfouz was to be
highly recommended to any
of our friends in need of an
excellent mover. Thanks Kamal.

Sincerely

Sion Hawke.
