## Kineto Management & Staff

Kineto moved us from our home in Stittsville, to our new home in Morrisburg, on Jan. 26/05.

Lee, Dan & Richard were the young fellows who moved us. They were hard-working, efficient, careful & personable. We appreciated their help very much, & would recommend them to anyone who uses Kineto's moving services.

Thank you very much for making our move a smooth one.

Sincerely,

Janet, Grant & Kathy

Dear Mr. Mahfouz,

On Monday, 16 May 05, one of your teams moved our goods and chattels from 40 Lone Meadow Trail to the above address. This they did in record time and in a very professional fashion. Kineto Van Lines is extremely fortunate to have such a competent group as Kevin, Richard and Robert, led by Lee. Not only were they effective, they were the epitome of good manners and consideration.

We expect our new house to be ready to move into before Christmas, and we sincerely hope that you will be able to move us at that time, with the same team. Our new address at that time will be 76 Brightside Avenue, Stittsville, Ontario, K2S 1K2.

Many thanks for a job well done.

Sincerely,

Dear Mr. Mahfouz,

I just wanted to thank you and your company for such a smooth transition from my old home to my new one on June 1, 2005.

I particularly want you to know how courteous and helpful, Louis Carrier, Fardeen and Arthur, the three men were who did the move, were.

I will not hesitate to pass your company name on to any of my friends should they need a moving company.

Many thanks

Dear Sir,

This is to formally thank you and your company for a most wonderful moving experience. Moving can be such a stressful experience however the crew that moved us on June 15<sup>th</sup> were absolutely wonderful. They worked incredibly hard and always with such good humour even under the inclement weather circumstances. They were extremely courteous and so very helpful.

Could you please ensure that our most heartfelt appreciation is extended to the fine young men who made our move a most pleasing event.

Your company should be proud to have such wonderful employees.

You can rest assured that we will pass references on to anyone that we know is moving.

Thank you and again

Warmest regards

Re: Excellent Service

Dear Robert,

Please accept this letter as a thank you to you and your moving company. On July 28, 2005, our family moved from Orleans to Kanata. This was our second move in the past ten years. We used Kineto ten years ago, and we were very happy with how the move went. Again, we called open your services for our move.

I wanted to let you know personally, how happy we were with the movers. The 3 guys (I wish I knew all their names, to recognize them personally, however I only remember Lee) were the most polite three lads we have ever met. They were outstanding in every way. Not an item was damaged, not a wall marked, just totally amazing helpful guys. It was a very hot day on July 28, and all three lads NEVER stopped. I kept asking them to take a break from the heat, but they would reply, "we will stop only when we are done".

Moving is to say the least very stressful, however, the three lads made it a joy. Without question, I would use Kineto again.

Sincerely,

Tom & Heather Nichols
