March 10, 2006

Hello,

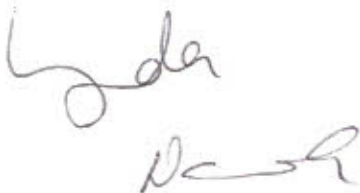

I am writing this letter to tell you how very pleased we are with the service we received both during our move today and the packing of our contents on March 8, 2006.

The three men who were in our home, Louis, Adam, and Art, were professional, polite, pleasant, and they did an excellent job. Their help alleviated a lot of the stress of moving our young family.

Kam, in your office, was also very professional in my dealings with him.

We are very satisfied with the service we have received - it was money well spent! Kineto Van Lines was recommended to us by friends, and we will have no problem recommending you to our friends.

Well done, thanks again!

Dear Bob,

I want to mention what a great job was done by your firm. Specifically Lee, Adam and Kevin, who were just outstanding. Their work ethic was exemplary, and manifested by a stellar customer satisfaction focus.

My wife and I will recommend KINETO to all our friends without hesitation. Please pass on our sentiments to your executives. They should be rightfully proud.

I wish you and your firm continued success, and again our many thanks for a job very well done.

KINETO VAN LINES

Attention: Kam Mahfouz

Hello Kam:

Since having our furniture packed on August 24th and moving on the 25th, I have been intending to drop you a brief note to let you know how pleased Audrey and I have been with your outstanding service. Each day your employees arrived early at 8:25 am and proceeded immediately to complete their tasks, quickly, efficiently and politely. For the packing Louie assisted by Mathew and Justin did a fine job while on moving day Lee Rosales helped by Mathew and Mike, performed their duties admirably. In fact they went above and beyond what was expected to more than satisfy the customer.

Audrey joins with me in sincerely thanking you and your employees for a job well done. As you will recall we are at this address temporarily until May/07, when we will be moving again into our new bungalow in Carp. You can be assured we will be contacting you again in this regard. In the meantime we have already told many of our friends about the good service we got from Kineto Van Lines!

Best Regards, Glenn J. Montgomery (formerly 3710 Panmure Road, Kinburn, On)

Dear Kam,

Josée and I wanted to take a moment to express our appreciation to Kineto Van Lines for our successful move from Ottawa to Toronto in July of this year. Your team of Lee Rosales, Adam, Matthew and Mike were highly professional, courteous and most helpful throughout the moving process, making a stressful event relatively pain free.

In particular, we were very impressed with Lee Rosales' highly professional approach to his duties. He was unfailingly polite, patient and responsive to our concerns. While our contact with Lee remains limited to this one particular move, he impressed us with his highly developed supervisory skills, thoroughness and willingness to go the extra mile to meet our needs. Lee was a credit to your firm, and would appear to have considerable potential to contribute in more significant ways to Kineto's success.

Please convey our appreciation to Lee and his team for a job well done. Best wishes of the holiday season to you.

Sincerely,

John and Josée Kurtz
