Mr Kam Makfouz:

This letter is to thank you for the fine service we received for our retirement move to Perth from Ottawa. My husband and I felt that the crew was very professional and worked very hard to give us a headache free move.

Thank you again for such excellent service.

Dear Bob:

My wife and I, and son Court whom Kineto moved from 2871 Richmond Road down to Parkdale Avenue, wish to thank your company for a job well done.

Your men arrived promptly in the morning, methodically and carefully packed our son's furniture, and unpacked it with efficiency at the other end. We especially thank them for the careful job of picking up our piano in Barrhaven and getting it safely to Parkdale. I stood in awe as it was loaded and unloaded from the van without the assistance of a hydraulic ramp!

Again many thanks. We would not hesitate to recommend Kineto Van Lines to our friends and acquaintances.

Sincerely,

Bruce and Marilyn Curry

To Whom It May Concern,

I hired your Co for a local move in Orleans from 177 Nightingale St to 1385 Diane Cs and the gentlemen that showed up were the most professional, courteous and honest people I have seen in a long time.

In this world when no one seems to care about their customers, I want to stress to your company that Lee and his helpers (I'm sorry but forgot the two young fellow's name) are an asset to your enterprise.

Not a scratch in the house, utmost care of my belongings, strong like bulls (one heavy piano and an armoire) and polite. Wow!! One fellow even found a \$20 dollar bill and handed over back to me.

They worked smart, were fast, didn't want to take a break and were extremely efficient.

I was very impressed with this crew. I will recommend your group to my friends and coworkers and wanted to take this opportunity to thank you all and especially Lee.

Thanks for a job well done.

A very satisfied customer,

Michel Pelletier

Dear Sir/Madame

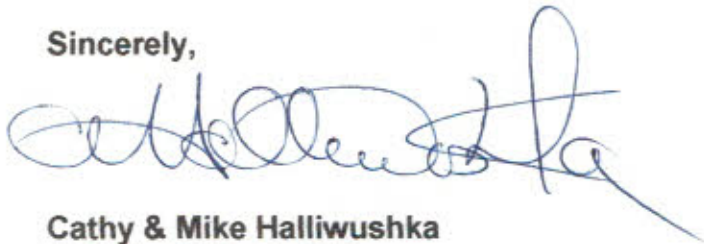

We used your van line service when moving from 5641 Watterson Street, Manotick, On to 102 Black Maple Private in Rockcliffe on the 13th Aug, 2008.

This letter is to acknowledge the professional and outstanding service we received from your considerate and well mannered crew. From the arrival at Watterson – taking inventory, laying the padding on the floors, blanketing the furniture and taking the fragile glass off the dining table they were amazing. They worked very diligently and consistently and always were polite and asked questions with a smile.

When we arrived at our new address they just took over and put everything in its place. We had labeled each room but at the end absolutely everything was put in its right room or place.

We would highly recommend your moving company for anyone requiring a residential move and who require service and a competitive price that is outstanding.

Sincerely,

Subject: Move on November 5, 2008

Good morning:

I have been meaning to write to express my thanks for the excellent moving job your company did for me on November 5, 2008. The three men who came, Lee, Joshua, and James were wonderful. They were hard working and efficient, cooperative and good natured, and polite. It was a bit of a complicated move because my daughter and I both moved on the same day, to two different locations on either end of town. It went so smoothly that I could hardly believe it. I was very impressed with your people and the great job they did for us. They treated all our belongings with care. I am moving again next year, possibly in June (depending on when my condo is finished) and I will most definitely call Kineto again. This was the best move I have ever had, with the best people. I have sung your praises to all my friends. Thank you, and I'll talk to you in the spring/summer. Please extend our thanks once again to Lee, Joshua, and James. You should be very proud of their job performance.

Yours truly,

Lois Charles
