Dear Mr. Mahfouz

On June 6, 2000 Kineto Van Lines moved us from 263 Fourth Avenue in Ottawa to 121 Rushing Brook Drive in Carp. Your company did an excellent job, nothing misplaced or damaged.

The team of movers were Lee, John, Rock and Craig. We have experienced four long distance moves over the years but this move, I can honestly say, had the least amount of stress attached to the actual moving day. These four people were very helpful, hard working, cheerful and very organized. But the best part was their sense of humour and this made the day much better. Actually, at times, it was pretty funny.

Thanks again.

Best Regards

Dear Bob:

I write to say the best thing about our move, now thankfully behind us, was Kineto Van Lines!

From the moment I called your office, I was received with courtesy, encouragement that you could move us, and promptness.

Initial packing was done on June 26 and the move occurred on June 27. We had a lot of things including many small articles that had to be individually wrapped. It was 2 long days for the men involved but they were always so pleasant.

We had some special old English furniture, many pieces of which had keys. We should have collected all the keys the day before the move but in our confusion, did not. I have now unpacked all the boxes. Every key was unpacked and even a pull chain that had long been waiting re-attachment to an old lamp was found!

We appreciated your help once again this morning to re-locate a few heavy items to the garage that was not finished on the 27th.

Again, a sincere thank you to you, and to Louis and Lee and their team, who worked so hard and so pleasantly to help us during a very busy and exhausting time just a few short weeks ago.

Yours sincerely,

Hugh and Hally Siddons

To Whom It May Concern:

We recently hired Kineto Van Lines to move our household belongings to a new home. We were so impressed with the crew that moved us that we wanted to write and let you know. Rod, Lee and Craig arrived at the designated time, they were efficient and professional and worked hard to get us set up in our new home. You should be proud to have such dedicated men working for you and we were extremely pleased with the service that they provided. If someone asks us to recommend movers we will definitely advise them to try Kineto Van Lines. Thank you for making our moving day so hassle free.

Sincerely,

Christiane and Ralph Dowsing

RE: **Invoice No. 4231**

Dear Sirs:

I would like to take this opportunity to convey my appreciation to your employees L.C. & S.L., (Louis & Sly I believe), for their professional conduct and deportment during my recent move.

Your employees were prompt, completed my move in good time and without damage to my effects. Their services are to be commended and I trust you will pass on my appreciation for a job- well done.

Yours truly,

Dear Mr. Mahfouz:

This long overdue letter is to thank your staff members Louis and Sylvian for their competent, quick, and good humoured efforts in my move from apartment 807 to apartment 801, the above location, Friday September 22, 2000. They were particularly helpful in guiding me to the placement of a bureau.

I am not new to your Company. I used Kineto Van Lines when I moved from Dunrobin just over a year ago, meeting Sylvian for the first time, so I am well aware of the fine reputation your Firm so rightly enjoys.

I would also like to commend Bob, your office person, who is always unfailingly polite and helpful whether dealing with storage or moving matters.

It has been a pleasure to do business with Kineto Van Lines and the staff. Thank you.

Yours sincerely

Attn: Mr. Robert Martindale

Dear Mr. Martindale:

I write this letter just to let you know that I was very satisfied with my move performed by your company on October 20th. The staff who worked that day were friendly, efficient and very helpful. Everything went extremely well. I have recommended your company to one friend already, and will continue to do so based on my experience with Kineto.

While I haven't unpacked most of the breakables yet (waiting until spring probably...for a new buffet), I am sure everything will be okay.

I just thought I would pass along my compliments to your staff. Oft times we do not hear when things go well!

Sincerely yours

Dear Sir:

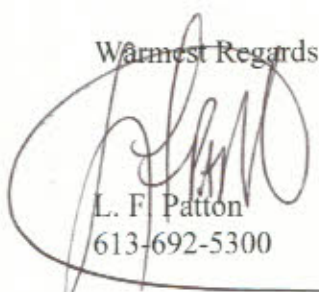

Re: Moving Date September 29th, 2000

It is with great pleasure that I take this opportunity to thank you and your team for taking care of our recent move. We moved from 3045 Otterson Drive, Ottawa and relocated at 5803 Mitch Owens Road, Manotick Station, Gloucester.

I accidentally misplaced the names of the three member team, however, all three fellows were very professional, efficient and most of all organized. It is our first encounter with Kineto Van Lines and we certainly would have no reservations in recommending your firm.

Kam, on behalf of my husband and myself please convey our most sincere appreciation to your team members and since they were all students we wish them the very best in completing their studies.

Warmest Regards,

L. F. Patton

Dear Kam,

I wish to put in writing what I told you on the phone on December 15. That is, how pleased we were with the young men who did our move for us on the 13th of December. It was about 4:30pm when they arrived at our new house with our belongings, which had been in storage with you for the past 5 months. They were very pleasant, very careful and did a first class job. You should be very proud of these young men who represent your company to the public.

By the way, the same applies to those who moved us out of our house on Bayswater Avenue last July. In both cases, they could not have done a better job. I will be pleased to recommend your company to any of our friends contemplating a move.

Thank you very much for making this time relatively easy for us.

Sincerely,

Marilyn C. Adair
